WWW.FLYING-CARPETS.NET
The company name “FLying Carpet Express” (FCE) is derived from the legendary “ALADDIN-One Thousand and One Nights and His Magic Carpet” and represents Speed, Efficiency, and Reliability.

Established in 1985, FCE was founded by Mr. Amin G. Saber, former owner of Airlink International, and previous President of Expeditors and the Sea-Air Association of the United Arab Emirates.

Pioneered Sea-Air Intermodal transport putting Dubai on the Global Map as the Hub between Asia Pacific Region and Europe.

FCE is now well-renowned as one of the leading and most reputable Logistics & Freight Forwarding Companies in the region.
WHO WE ARE
Our Mission & Vision

With over 35 years of expertise, FCE is a logistics and freight forwarding company offering global supply chain solutions via air, sea and overland, with custom clearance and distribution facilities in the UAE, and strategic partners worldwide.

FCE is fully committed to ensuring a seamless customer experience, and facilitating global trade by offering hands on, efficient and reliable, end-to-end logistics services through an exceptionally trained, dedicated team.

We aim to maintain our tradition of excellence, innovating and facilitating global trade, to consistently meet and exceed customer supply chain needs, ensuring utmost customer satisfaction, for that is the cornerstone of our business.

WHAT WE DO
Our Services

SEA-AIR INTERMODALITY

FCE is a pioneer in Sea-Air intermodal cargo shipping in the UAE.

Sea-Air intermodal shipping offers the benefit of **low-cost ocean transport** with **high-speed air transport**.

- Shipping cargo by Ocean from the Far East, China, and the Indian Subcontinent,
- FCE forwards cargo by Air to Europe, USA, Africa, Afghanistan, CIS, and more, in the shortest possible transit time.
- Sea-Air intermodal & multimodal shipping also results in high environmental sustainability, since **Multimodal Transport** reduces the environmental footprint of transportation.
AIR CHARTERS

Door-to-door delivery, anywhere in the world. FCE is well-renowned for its extensive experience and a strong network required for managing Air Charter services for our esteemed clients.

- FCE manages Air Charter flights with consolidated cargo from the UAE worldwide
- FCE served a diverse range of clients, chartering cargo such as military, UN, DG, perishables, and more.
  - FCE prides itself as being a pioneer & market leader for the Afghanistan segment
- Direct connections with Airlines give us the cutting edge to arrange Charter Flights worldwide – Cargo & Passenger flights.
- From time of receiving cargo to sorting, repackaging, & pallet build-up, to loading onto aircraft are all handled in-house by our highly trained and certified team.
